INDEPENDENT POLICE REVIEW AUTHORITY

Log #1077731
28 October 2015

To: Chief Administrator
Independent Police Review Authority

From: Investigator Adam Pfeifer, #179

Subject: Viewing of In-Car Camera Footage from Police Vehicles

On 28 October 2015, the reporting investigator viewed the in-car camera footage from vehicles 9184 and 9108. The date and time of incident is 03 October 2015 between 0730 and 0800 hours.

The video footage for 9184 is dated 03 October 2015 and time stamped 0736 through 0744 hours. The video footage shows a male, believed to be the reporting victim, [REDACTED] handcuffed and seated on a bench in a bus stop. A large build bald male uniformed officer, believed to be the accused, appears to grab [REDACTED] with both hands, near the top of his shirt, and forcibly take him toward a squad car after it appears that [REDACTED] fails to cooperate and go with the officer who appears to be gesturing for [REDACTED] to come with him. Minutes later, [REDACTED] is shown being walked, by what appears to be Officer Aziz, the officer assigned to 9184, toward Officer Aziz's squad car, followed by the bald male officer.

The footage for 9108 appears to contain approximately thirty-three minutes of audio, without video. The audio contains a male voice, believed to be the accused, calling [REDACTED] "motherfucker" and loudly stating that he witnessed [REDACTED] committing a battery as a male voice believed to be [REDACTED] denies doing so. A female voice, believed to be the victim of the domestic battery allegedly committed by [REDACTED] is heard yelling "liar" in response to [REDACTED] denials. A subsequent conversation occurs between a female officer and [REDACTED] alleged female victim, both believed to be seen in the footage from 9184, in which the officer interviews the woman regarding her complaint against [REDACTED]

Neither footage appears to capture the basis of the allegation; an officer putting [REDACTED] into a squad car, striking him, threatening to "beat his ass", or damaging his cellular telephone.
